 * Refer to UTC monthly calendar for court usage (<http://www.unionvilletennisclub.com/calendar.html>).

Please note: Most times there will be 3 random courts for play, however there will be a few times when there are special events that will prevent this - these are usually well publicized and tend to be for social events. Refer to UTC monthly calendar. Unionville Tennis Club phone number is 905 470-7059

There is a monitor on duty from mid April onwards who will designate courts to members when they arrive. There is no pre-booking of random courts.
